5-detail

Corner detail

Front side

Back side

1. Start stitching off from the fold line as you see at 1. Thread using for stitching should be approx. 60cm, 24". Leave the rest of thread attached to the bobbin.
2. Continue stitching to the corner.
3. At the corner, stitch as you see the corner detail drawings. Continue stitching 3 and 4 area.
4. When you reach at the end at the fold, stitch backward for 4 to 5 cm. Cut the thread.
5. Turn the kobukusa, and iron the edges.
6. Loosen the stitches in "2" area, and turn the kobukusa inside out.
7. Shape the kobukusa and tighten the loosened stitches. Cut off the bobbin with some extra thread. Stitch back over the existing stitches for 4 to 5 cm.
